The Alaska Avalanche Information Center (AAIC,) a not-for-profit agency, was built to help you make informed decisions in the backcountry. The major cost of producing advisories and providing other avalanche information/education programs in Alaska is paid for by members, donations and grants. We depend on users like you to help support the Alaska Avalanche Information Center.

Please consider becoming a member or making a tax-deductible donation this season. You can also take advantage of our regional membership package and join both the AAIC and your local forecast centers.

Enjoy the benefits of membership: Special gear discounts, automatic notification of new forecast/observations for your local region, advance notice of training opportunities and special member only events.

Sincerely,

Debra McGhan
 Executive Director
 Alaska Avalanche Information Center
